## Appointments

- Dimitri Leemans (from the Université libre de Bruxelles in Belgium) has been appointed senior lecturer in the Department of Mathematics at the University of Auckland.
- Marston Conder has been appointed Distinguished Professor (one of 18 across all subjects) at the University of Auckland. He has also won a 2-year "James Cook" Research Fellowship from the Royal Society of New Zealand, and been selected by the American and New Zealand Mathematical Societies as the first "Maclaurin Lecturer", under a new exchange arrangement that will see him make a lecture tour of 5 or 6 universities in the US in 2013.

## The Australasian Journal of Combinatorics

The website for the Australasian Journal of Combinatorics is <http://ajc.maths.uq.edu.au/> (<http://ajc.maths.uq.edu.au/>).

The Journal is published three times per year, in February, June and October. CMSA Members are entitled to a \$10 discount per volume.

There is a search facility for past authors and for keywords in the titles of papers. Instructions to authors are also available at this web site.
